To Whom It May Concern re: Alex Gotay as Speaker for Catholic Teen Evangelization,

I have been teaching philosophy and lay spirituality for 50 years and I am the author of some 50 popular published books on these subjects, as well as being a presenter on EWTN and Catholic Radio.

Occasionally I come across a student who can be a torch-bearer for me to new groups of Catholics. Such is Alex Gotay, a man who combines eager love of the truths of the faith with burning zeal to reach out to youth!

He has taken several courses with me our M.A. programs, Distance Learning, from Holy Apostles College and Seminary where I am presently a professor. Here he has exhibited the rare gift of realizing how to popularize the truths of the great thinkers throughout the centuries in a mode that can reach into the hearts of our youth, so tempted to lose their faith surrounded by our worldly culture.

Alex Gotay is presently working on a Special Project of these dimensions for use in retreats. I have a new Catholic publisher in mind for this worthy venture.

If you have any further questions you can reach me at 860-759-4521860-759-4521 or chervinronda@gmail.

Sincerely in the Lord,

Ronda Chervin, Ph.D.
