To Whom It May Concern

Re: Alex Gotay as Speaker for Catholic Teen Evangelization,

I have been teaching philosophy in the Catholic tradition for several years.

Occasionally I come across a person who is perfectly equipped to be a “torch-bearer” for young Catholics. Such a person is Alex Gotay. Alex has exhibited the rare combination of several important elements. First, he has the academic background to teach Catholic thought correctly. Secondly, Alex has the apostolic zeal to do so enthusiastically. Finally, Alex has a special knack for reaching out to today’s youth in a way that is relevant to them. In short, Alex is a perfect choice for repackaging the Catholic intellectual patrimony in a passionate and engaging way that speaks directly to today’s highly distracted young generation.

I recommend him for any type of youth ministry without reservation.
