To Whom It May Concern

re: Alex Gotay as Speaker for Catholic Teen Evangelization,

I have been friends with Alex for several years now. As such I have enjoyed watching Alex work with young adults and teens in his unique way. Alex has an approach and style that communicates the depth, richness, and beauty of the Catholic faith in an easy to consume and enjoyable way.

I have worked with many of the top Catholic evangelists and speakers of our day. What makes Alex unique is that he not only has an amazing grasp of the Catholic faith but, he also is incredibly approachable and truly desires to impact the lives of all those whom the Lord places in his path. In my experience, that is one of the most important ingredients to effective evangelization. I am excited to see the Lord give Alex opportunities and cannot wait to witness what He will accomplish through the life of Alex Gotay!

If you have any further questions you can reach me at 832-786-4500 x 2 or joe@grnonline.com.

May God Richly Bless you!
